Dear Panther & Mustang Alumni

Chances are, if you grew up in Newell, you spent many hours of your summers at the pool. It is where you gathered with your friends, where you cooled off after practice, where you learned to swim, where you found summer employment, where you created many memories. Now that pool is unsafe, unsalvageable and closed.

Fundraising has begun for a new pool and almost \$210,000 has been raised along with additional pledges. Waters Edge has designed a pool with a cost estimate of \$3,800,363 with a 3-5% increase each year. We need to gather more funds before we can apply for grants.

We are reaching out to past residents, and we hope that you and your memories will encourage you to join in our attempt to save our pool. We know that a pool will continue to make Newell a desirable place to raise a family.

If you have questions concerning this important endeavor, please contact Heather Copp at city hall (712-272-4410) or email (cityclerk@newelliowa.com). Contributions can be dropped off at city hall (207 East 2nd St) 8:00 a.m.-3:30 p.m. or mailed to Box 315/ Newell 50568.

We look forward to you partnering with us on this important project. Thank you.
